

- Have some used glasses or hearing aides lying around and don't know what to do with them? Our club has recycling boxes in several locations around the area (see list below). We also collect and recycle cell phones, inkjet cartridges, GPS systems, handheld games, laptop/notebook computers that can be placed in these boxes as well. (if item too large, go to and click "contact info" on home page, fill out and someone will contact you for pickup) ([Click here for complete list of recycle items](#))
